หัวข้อข่าว : Activities for training skill in English

เนื้อหาข่าว :

The English program (EP) from the Demonstration School of Suansunandha Rajabhat University has arranged activities in order to train English skills (English breakfast and Intensive) to student at the junior high school level. English breakfast activities is from 7.15 - 7.45 a.m. from Monday to Friday. Students are organized into small groups to study with native speakers. Intensive activity are taught during the second half of lunch break by the native speakers and Thai teachers that are proficient in English. Intensive English is concentrated on the development of communication; there for the objective of all activities are to improve the foundation and practice of developing English skills through the combined practice of speaking, reading and writing.
